All references to "year" refer to anniversary year. When it relates to Hearing Aids and Vision benefits, year refers to benefit year. **Anniversary Year** refers to each successive 12-month period following the effective date of the policy. **Benefit Year** refers to each successive 12-month period following the date a claim for a specific benefit is first incurred under the policy.

* Generic drug- A generally less expensive alternative to an interchangeable brand-name drug product. Please Note: not all drugs have a generic equivalent. If a non-generic drug brand exists, payment of the brand-name price will be made at the co-payment level of your plan.

† Birth Control medication and fertility drugs are not covered under this plan.

** Benefits are only payable after yearly maximums allowed under your provincial health insurance plan have been reached, if applicable. Benefits are payable up to Reasonable and Customary charges.
